Affidavit

On November 17, 2019, a vehicle Chevrolet sedan bearing Texas license plate (HYG3783) was encountered by Customs and Border Protection Officers (CBPOs) while traveling outbound from the United States into Mexico at the Anzaldua, Texas, Port of Entry. CBPOs received a negative declaration for firearms, narcotics, and currency in excess of \$10,000.00 USD from the driver and sole occupant of the vehicle, Rodrigo HERNANDEZ.

The vehicle was referred for an outbound inspection and during the inspection CBPOs located approximately four hundred (400) rounds of 7.62 x 39 caliber ammunition and one (1) 38 Super Pistol with magazines.

On November 17, 2019, HERNANDEZ, under rights advisement and waiver, stated HERNANDEZ purchased the firearm and the ammunition and placed them inside of the vehicle in order to smuggle the fire and ammunition to Mexico and HERNANDEZ stated HERNANDEZ knew it was illegal to smuggle firearms and ammunition into Mexico.

According to the Department of State, Office of Defense Trade Controls Compliance (DTCC), a 38 Super Pistol is determined to be a defense article described on the United States Munitions List (USML) and regulated for export pursuant to the Arms Export Control Act (22 U.S.C. 2778).
